

# Advanced technology that lets you take control of your document workflow

**A3 colour MFPs that maximise productivity whilst delivering efficiency at many levels of your organisation**

The ES9400 MFP Series have been designed to provide complete flexibility and choice. Combining print, copy, scan and fax<sup>1</sup> in one high speed, ergonomic device, the ES9400 MFP Series offer efficient and secure document management and output that is suited to organisations of all sizes, from large corporate multinationals and financial institutions to educational establishments and SMBs.

A combination of sophisticated software with advanced technology enables organisations to enhance productivity and improve their document input, throughput and output.

These intelligent MFP's provide seamless integration with existing systems by using our smart Extendable Platform (sXP). Improving the way that documents are handled, managed and processed through an organisation can deliver significant workflow efficiencies at every level.

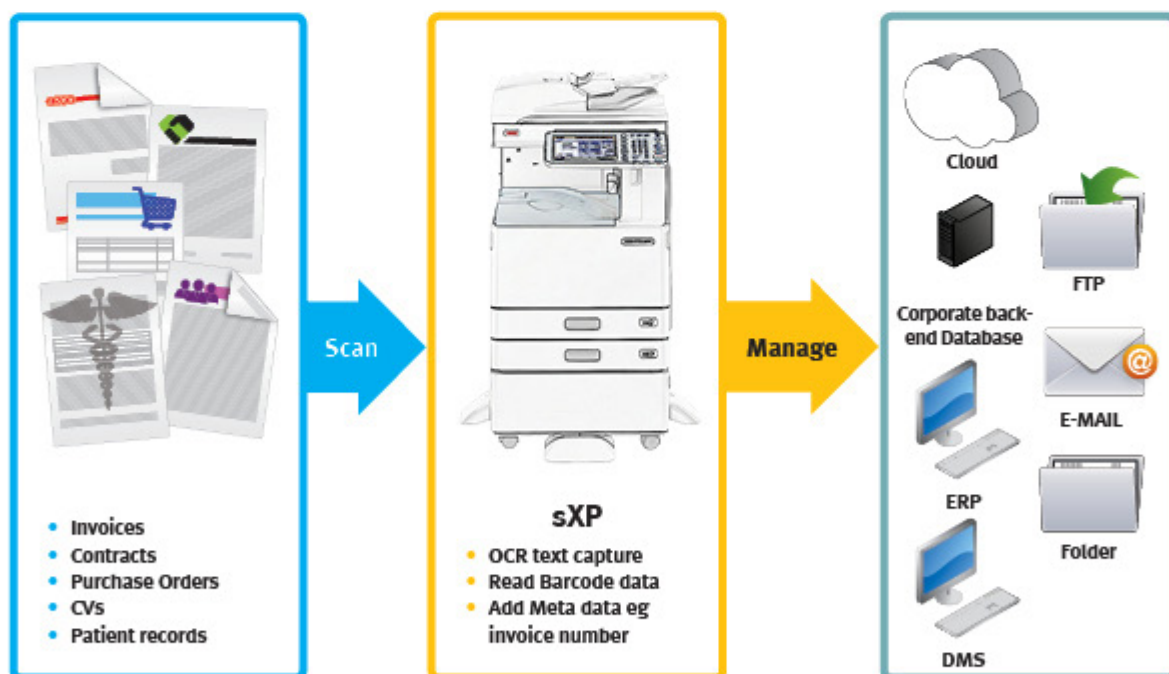

Select the configuration, print speed and paper output options to meet your business needs and budget.

## sXP (smart Extendable Platform) at the heart of your business productivity

The ES9400 MFP Series come with sXP, an open platform to help streamline your document intensive business processes.

This web services based platform enables seamless integration of these MFPs with your bespoke system or 3rd party solutions, for example, PaperCut MF and Drive Image. This ensures that your document capture, distribution, management and output is efficiently executed and implemented, improving the productivity of your staff.

# A smart range of A3 MFPs from OKI – the centre of your document workflow

## Flexibility

### Maximising your investment for ultimate flexibility

The ES9400 MFP Series have been designed to deliver an extensive range of high value features as standard. These robust and efficient MFPs are available in 9 different configurations providing you with the flexibility you require to meet your business needs.

- Ability to connect to 3rd party software solutions for seamless network integration
- Customisable user interface for integration into your document workflow
- Select the model and accessories that meet your business needs

## Productivity

### Improving Business productivity

The ES9400 MFP Series are built to perform. With high speeds and flexible finishing options these MFPs have in-built functionality to save end-user time, so they can focus on their core activities.

- 23cm colour backlit touch screen
- Up to 50ppm print speed in mono and colour
- Paper capacity of up to 3,200 sheets
- 1.2GHz processor and 2GB RAM memory
- 320GB HDD (optional for ES9455 MFP)
- 10/100/1000 baseT Ethernet

## Environment

### Reducing your impact on the environment

OKI technology and in-built eco features ensure these are amongst the most environmentally friendly MFPs available.

- Full LED MFP (both scanner and printer)
- Duplex print, copy, scan and fax<sup>1</sup> for reduced paper usage
- High capacity toner cartridges
- Toner save function
- 1W or less Deep Sleep mode
- Energy Star certified

## Security

### Highest level document and data security

IT security is a major concern for businesses today, which is why OKI offers security and encryption to the highest industry standards. Sophisticated user authentication prevents unauthorised access and protects your corporate data whilst user access can be customised, allowing you to enable or disable functions easily.

- IP/Mac filtering
- Hard disk encryption
- Secure print job encryption
- SNMPv3 and optional IPSec secure networking
- Secure erase for automatic, scheduled or manual HDD wiping
- PIN/IC Card/LDAP/Kerberos access control
- Secure print with PIN or with optional card reader (MIFARE/HID)

# Advanced features that help improve the efficiency of your business

## 9" colour touch screen

Customisable user interface that provides access to a range of standard and bespoke functions facilitated by sXP

## Automatic LED duplex printing

Automatic duplex as standard, for cost effective printing of double-sided documents

## Duplex LED copying and scanning

Fast and accurate duplex copying and scanning, through 100-sheet RADF.

**Optional finishers**  
The choice of 2-tray Inner Finisher\*\*, Multi-Stapling Finisher\*\*\* or Saddle-Stitch Finishers are available

**Base Unit** (incl. RADF)  
ES9455: 1 paper tray  
ES9465: 2 paper trays  
ES9475: 2 paper trays

**Paper Feed Unit (PFU) and Paper Feed Controller**  
(standard on ES9465 and ES9475)

**Saddle-Stitch Finisher\***    **Saddle-Stitch Finisher\*\*\***    **Multi-Staple Finisher\*\*\***

**Paper Feed Pedestal (PPF)**

**Large Capacity Feeder (LCF)**

**Drawer Module**  
(for PPF only)

**Flexible paper capacity**  
Paper Feed Pedestal (PPF) or Large Capacity Feeder (LCF) available (up to 3,200 sheets), to suit your business needs

\* ES9455 MFP only, \*\* ES9455 MFP and ES9465 MFP only, \*\*\* ES9465 MFP and ES9475 MFP only

### High definition LED scanning

- Fast scan speed of up to 73ipm (ES9465 MFP and ES9475 MFP)
- 24-bit colour / 8-bit greyscale / bi-level mono
- Scanning resolution 600 x 600dpi
- Duplex scanning
- WSD, USB and network TWAIN scanning
- On-screen scan preview
- Save scan settings for repeated tasks
- Remote scanning to a number of networked PCs
- Scan to filing box, scan to shared folder, scan to email, scan to USB memory
- Blank page skipping

### Clearer and sharper copying

- Fast copy speeds of up to 50ppm (ES9475 MFP)
- First copy out time as low as 4.7 seconds mono, 6.1 seconds colour (ES9475 MFP)
- Duplex copy (1 to 2, 2 to 1, 2 to 2)
- Background removal, edge erase, proof copy for best copy output
- ID Card copy, repeat copy, job build copy
- Cover sheet, sheet insertion mode
- N-up, collate, margin shift, trimming, masking, mirror image
- Job interrupt for urgent copying
- Department code, user code
- Job Macro stores frequent tasks

### Fast, High Definition colour printing

- A4 print speeds of up to 25ppm (ES9455 MFP)/ 35ppm (ES9465 MFP)/ 50ppm (ES9475 MFP)
- Time to first print as low as 6.1 seconds colour/ 4.7 seconds (ES9475 MFP)
- Print resolution up to 1200 x 600dpi
- Duplex printing
- Flexible media handling - up to 280gsm, SRA3 and 1.2m banners (ES9465 MFP and ES9475 MFP)

### Super G3 fax<sup>1</sup> with added functionality

- Super G3 faxing speed, 33.6kbps modem speed
- 3 seconds transmission time
- Send duplex document fax from RADF
- Up to 1GB memory capacity on HDD (HDD is optional on ES9455 MFP)
- Delayed transmission
- Fax forwarding (fax to fax and fax to email)
- PC fax, i-Fax

## Smart Software Solutions/Utilities

OKI provides a suite of software, offering added functionality, control and efficiencies for your business.

### Output Management

This powerful device management tool from Alidata is a scalable, vendor agnostic solution that enables organisations to centrally manage and optimise their print and copy workflow. It provides the ability to enforce rules, quotas and user notifications, resulting in cost management and higher levels of security across the business:

- Pull printing and secure print release from any enabled device
- Universal Print Driver (driverless printing) – easy client deployment, default configuration set by the administrator
- Scan to user email, folder or to a third party system (e.g. SharePoint)
- Scan and automatically perform OCR (e.g. ABBYY Recognition Server)
- Select the desired document workflow (e.g. run OCR and upload file to a specific SharePoint library or email)
- Secure device access through login authentication (PIN or ID Card)
- Visibility and control of print and copy usage by user or department enforcing quotas (mono/colour) in real-time management
- Customised print routing policies – enforcing the most cost effective device
- Track print job and device status, consumables usage
- Advanced administration console: dashboard, reporting, cost analysis and consumables
- Eliminate wastage and associated energy consumption

### Fleet Management

A comprehensive vendor agnostic solution from PrintFleet for remote management and control of your printers and MFPs:

- Online monitoring of your fleet of devices
- Automatic fault notification
- Automatic meter reading
- Automated consumables management
- High level reporting capabilities

### PrintSuperVision

For the management and control of networked printers and MFPs:

- Manage devices and troubleshoot any problems
- Monitor which printers require new toners before they run out
- Limit user intervention maintaining productivity workflow
- Provide complete control and visibility of all printers and MFPs across your network

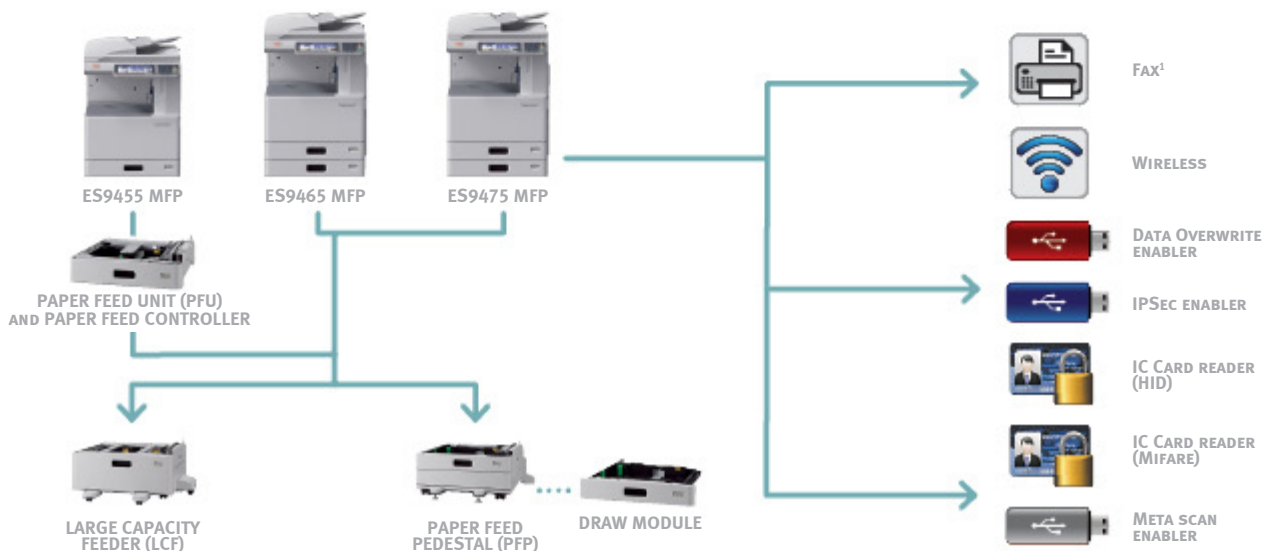

### Print Job Accounting

Provides visibility and control of your organisation's print spend:

- Visibility and control of print usage within your business
- Restrict access to individuals and or groups
- Manage printing within defined cost limits
- Create reports on volume, paper size, media type
- View all data on a web page (Enterprise version)
- Import users from an Active Directory (Enterprise version)
- Supports SQL databases (Enterprise version)

## Select the model, configuration and accessories to meet your specific business needs

The ES9400 MFP Series have been designed to provide complete flexibility and choice.

Copy speed	A4: 25ppm mono; 25ppm colour A3: 12ppm mono; 12ppm colour	A4: 35ppm mono; 35ppm colour A3: 18ppm mono; 18ppm colour	A4: 50ppm mono; 50ppm colour A3: 25ppm mono; 25ppm colour
Time to 1st copy	8.2 seconds mono, 10.3 seconds colour	6.4 seconds mono, 8.1 seconds colour	4.7 seconds mono, 6.1 seconds colour
<b>Scanning</b>			
Format	JPEG, TIFF (multi/single page), PDF (multi/single page), Slim PDF, Secure PDF, XPS (multi/single page)		
Scan speed	Up to 50spm (Colour/Mono)	Up to 73spm (Colour/Mono)	
Scan to	AWS Scan, USB, E-Mail, File (SMB, FTP, FTPS, IPX/SPX, local), e-Filing*, Meta Scan*	WS Scan, USB, E-Mail, File (SMB, FTP, FTPS, IPX/SPX, local), e-Filing, Meta Scan*	
Optical scanning resolution	600 x 600dpi		
<b>Fax<sup>1</sup></b>			
Resolution	Up to 300dpi		
Fax speed	ITU-T G3(Super G3) up to 33.6kbps, 3 seconds/page		
<b>Paper Handling</b>			
Standard paper capacity (80gsm)	Tray 1: 250 sheets; Multi-purpose tray: 100 sheets; RADF: 100 sheets	Tray 1: 550 sheets; Tray 2: 550 sheets; Multi-purpose tray: 100 sheets; RADF: 100 sheets	
Optional paper capacity (80gsm)	Paper Feed Unit (PFU): Tray 2: 550 sheets, Paper Feed Pedestal (PFP): Tray 3: 550 sheets; Optional Tray 4: 550 sheets (Draw Module), Large Capacity Feeder (LCF): Tray 3: 2,000 sheets (A4 only)	Paper Feed Pedestal (PFP): Tray 3: 550 sheets; Optional Tray 4: 550 sheets (Draw Module), Large Capacity Feeder (LCF): Tray 3: 2,000 sheets (A4 only)	
Maximum paper capacity	2,900 sheets of 80gsm	3,200 sheets of 80gsm	
Paper output capacity	A4: Up to 550 sheets of 80gsm; A3: Up to 300 sheets of 80gsm		
Media weight	Tray 1/2/PFP/Draw module: 60 to 163gsm; LCF: 64 to 105gsm; MPT: 60 to 209gsm	Tray 1/2/PFP/Draw module: 60 to 256gsm; LCF: 64 to 105gsm; MPT: 52 to 280gsm	
Media size	A3, A4, A5, B4, B5, A6; Duplex: A3, A4, A5, B4, B5	SRA3, A3, A4, A5, B5, A6, Custom size up to 1200mm; Duplex: A3, A4, A5, B4, B5	
Finishing	2 Tray-Inner finisher: 600 sheets; 1 Tray-Saddle-Stitch finisher: 1,000 sheets	2 Tray-Inner finisher: 600 sheets; 2 Tray-Multi-Stapling finisher: 2,250 sheets; 2 Tray-Saddle-Stitch finisher: 3,250 sheets	2 Tray-Multi-Stapling finisher: 2,250 sheets; 2 Tray-Saddle-Stitch finisher: 3,250 sheets
Accessories	Wireless, IC Card Reader (HID), IC Card Reader (Mifare), Data overwrite, IPSec, Meta Scan		
<b>General features</b>			
Noise	Operating: <74.5dB(A); Standby: <51dB(A); Power save: Background level	Operating: <71dB(A); Standby: <51dB(A); Power save: Background level	
Power consumption	Max: 2000W; Sleep: 1W	Max: 2000W; Sleep: <1W	
Warranty	1 year standard parts warranty		
Dimensions (HxWxD)	with PFP: 1191 x 580(max 665) x 633(max 725) mm with LCF: 1191 x 580(max 665) x 633(max 730) mm	with PFP: 1191 x 585 (max 665) x 644 (max 725) mm with LCF: 1191 x 585 (max 665) x 644 (max 730) mm	

\*Optional

### Popular Configurations:

ES9475 with LCF, Saddle-Stitch Finisher and Hole Punch Unit

ES9475 with LCF and Multi-Staple Finisher

ES9465 with PFP, Drawer Module and Inner Finisher

ES9465 with PFP and Job Separator

ES9455 with PFU and LCF

## Why OKI?

---

OKI is the business printing specialist.

Our single-minded aim is to help businesses to grow and to prosper by enabling them to create the best possible impression with their printed communications. By building on our proven, reliable, single-pass technology, we have developed fast, high quality, cost-effective printing solutions that benefit businesses today and into the future.

We also know how important reliability is for customers. That's why every one of our products is built to perform, day in, day out, helping to maintain business efficiency and provide that competitive edge.

OKI. No one does more in business printing.

### Considering the Environment

---

As part of the OKI Group's Charter of Corporate Conduct, OKI continually reviews its efforts to provide environmentally sound solutions to its customers:

- Our products are designed and manufactured with reducing the impact on the environment in mind.
- Increasing the amount of our hardware products and consumables that are recycled is one of our strategic objectives.
- We feel responsible for conducting our business in an environmentally sound manner, contributing to conservation and activities within our local communities.

OKI's Green Leaf symbol, found on all products and packaging, represents our total commitment to collection, recycling and environmental processes.

### Energy Star

---

Our printers and MFPs have earned the Energy Star by helping to eliminate energy waste through particularly energy efficient designs. They use less energy to perform regular tasks. When not in use, they automatically enter a powersave mode and product features such as, duplex printing, further reduce the wasting of energy and paper resources.

## Why Executive Series?

---

Heritage of award winning products.

Building on OKI's heritage of award winning products, the exclusive Executive Series range of Multifunction Products, colour and mono printers provide hassle-free document solutions, budgetary control and enhanced workflow efficiency.

Our selected Executive Series partners can provide a print strategy and tailored solution that delivers total peace of mind through fully serviced products and the benefits of predictable budgeting.

### High Definition Color

---

High Definition Color is OKI's own unique set of market defining hardware and software technologies. Together, these components deliver unsurpassed colour printing simply, intelligently, and with perfect results.

### 20 years of LED Technology

---

OKI pioneered the development of digital LED technology in printers over 20 years ago. This innovation delivers High Definition printing – for more accurate, striking printed documents. Thanks to this digital LED technology, our printers are compact, environmentally friendly and energy efficient, using significantly less raw materials in the manufacturing process and consuming less energy. LED print heads have no moving parts, making our LED printers robust and ultra reliable.
