

A3 colour MFP for the demanding small business or busy workgroup

Productive, secure, efficient and easy to use. This A3 colour multi-function product can bring document flexibility for all, handling high workloads and finishing where required.

The ES9455 MFP offers seamless integration with document workflow to enable users to be their most productive and efficient. Versatile paper handling and High Definition colour printing allows users the flexibility to generate a wide range of documents in-house.

Flexible configuration for efficient productivity

Select the configuration and paper output options including several finishers to meet your business needs.

- Finishing options include 2-tray Inner finisher and Saddle-Stitch finisher
- 100-sheet Multi-Purpose Tray (MPT)
- Paper sizes from A6 to A3
- Print on stock from 60 to 209gsm
- A4 print/copy speeds up to 25ppm
- Time to first copy, from 10.3 secs colour and 8.2 secs mono

Enhanced efficiency through ease of use

Designed to be used by many, the intuitive touch screen can be customised for each and every user to ensure maximum productivity.

- 9" (23cm) adjustable, ergonomic, colour touch screen
- Customisable Menu function for individual user setup

Print smart - by printing in-house

Digital LED print technology and versatile paper handling produces high quality professional documents, on a multitude of different media in-house, without having to rely on a professional print house or a high street print shop.

- Advanced image processing
- Wide range of paper weights, sizes and types
- ICC colour profiles
- Extensive output options from posters to booklets and N-up

Flexible open architecture for simple integration into your document workflow

The embedded platform, sXP (smart Extendable Platform), enhances productivity by allowing users to electronically capture, distribute and manage document workflows.

- Customisable sXP open platform for ease of integration

- Scan preview to ensure the correct image is input to the workflow process
- Store commonly printed documents in your personal inbox for easy retrieval with E-Filing (requires optional HDD)
- 100-sheet RADF automatic duplex (double sided) document scanning

Advanced security to protect your business

Advanced security features to preserve the confidentiality of sensitive data. Sophisticated user authentication prevents unauthorised access.

- Secure networking with SNMPv3, SSL-Encryption
- Role Based Access Control
- Secure Print/PDF

Improving efficiency and your carbon foot print

A wide range of eco features help reduce energy consumption, environmental impact and ongoing costs.

- Digital LED reduces power consumption
- Sleep Mode - reduces standby power
- Duplex printing, copying, scanning and faxing - reduces paper usage and enables printing in-house
- Energy Star and Blue Angel compliant
